**Re: Yipit LLC d/b/a YipitData v. Emmett et al; 1:24-cv-07854 (JGK)(RFT)**

Dear Judge Koeltl:

We represent M Science and Michael Marrale in the above matter. Last Friday, we filed papers on behalf of our clients in opposition to Yipit's preliminary injunction motion. In doing so, we filed both public/redacted documents and documents that were filed under seal, along with a letter motion for the sealing itself. This morning, Your Honor granted the letter motion to seal (*see* Doc. No. 153, so-ordering our letter motion).

We realized this afternoon that we inadvertently failed to apply a redaction to a reference in Doc. No. 145 that we intended to redact. Accordingly, we ask the Court to change the visibility of Doc. No. 145 to be "Selected Parties," so that it is no longer publicly available, and is only available to the parties with the exception of Defendant Zachary Emmett, who is pro se. We intend to make a corrected publicly available filing of that document as soon as possible.

We apologize for the inconvenience, and thank the Court for its attention to this matter.

Respectfully yours,

Andrew J. Shapren
